

SCOUT GROUP BIKE BADGE EXPERIENCE AT

OPEN ROADS BIKE PROGRAM

ABOUT US

Open Roads Bike Program is a 501c3 nonprofit organization with an important mission: To engage and empower youth through bicycles to learn practical life skills for their future.

Our bike workshop and youth lounge is located at 1523 Riverview Drive in Kalamazoo and is the perfect setting for your scout group or troop to earn themselves a bike badge!

We supply everything but the badge itself. Your students will gain skills in bike riding safety, bike mechanic repair basics, bike and tool lessons, and they will even create a take-home journal with all the skills they learn together!

BIKE BADGE PACKAGES

HOW IT WORKS:

1. Decide on your group size. We welcome small groups of four to large groups up to 16. Students ages 7-18 are the best fit for this program. No matter your group size, the cost per student is \$10 each. It includes an Open Roads t-shirt, the journal they create, and a book from our Youth Book Exchange. Parents and troop leaders are welcome to tag along!

3. Select a date to bring your scout group to the Open Roads shop. The standard package is for two hours on a weekday after school.

4. Decide what add-ons, if any, your scout group would like to include your bike badge experience.

A guided bike ride on the Kalamazoo River Valley Trail: \$8/student

A new helmet for each student: \$10/student

A new bike lock for each student: \$15/student

5. Contact us to book your scout bike badge experience by emailing us at info@openroadsbike.org or calling at 269-365-9142.
